Note.— (i) Right to reject any or all tenders without assigning reasons is reserved by the authority competent to accept the tender.

(ii) Rates to be quoted on itemwar basis, except for item Nos. 5, 7 and 8.

(iii) Further particulars can be had from the Office of the Executive Engineer, during working hours.

Conditions.

1 Sealed tenders should be submitted in the prescribed form in duplicate which can be obtained from the Executive Engineer, Ramanagaram Division, Ramanagaram on payment of Rs. 5 per set.

2 The rates once accepted will not be enhanced under any circumstances.

3 Each tender must be accompanied by a duplicate treasury challan for having credited the amount specified as earnest money under Revenue Deposits. Savings Bank Pass Book or any other adjustment of amount due by Government to the tenderer will not be considered. The name of the tenderer and the name of work for which tender is submitted should be distinctly superscribed on the cover.

(a) Lowest rates mentioned in the two copies will be adopted in the event of there being any difference in the rates mentioned in the two copies.

(b) The corrections in tenders should be attested by the tenderer before submission of tender.

4 Tenderers should distinctly give in their tenders their place of residence and their postal address.

5 The final acceptance of tender or tenders, in full or part or in any manner will rest with the competent authority who reserves the right to accept or to reject the lowest or any other tenders without assigning any reason whatsoever.

6 Within eight days from the intimation of acceptance of the tender, the tenderer shall execute the usual contract bond at the Office of the Executive Engineer, Ramanagaram Division, Ramanagaram, failing which his tender deposit will be liable to be forfeited to the Government.

7 Work should be completed within the stipulated time from the date of the work order which will be noted in the agreement. In the event of the short progress and failure on the part of the contractor to strictly adhere on the time limit, the Executive Engineer or competent authority has rights to penalise the contractor as per rules.

8 Materials like cement and steel will be supplied at the Divisional Stores if available at issue rate on the date of issue.

9 On all matters of dispute, the decision of the Executive Engineer is final and legally binding.

10 Quantities are all approximate and not guaranteed.

11 No enhanced rates shall be paid at any time due to fluctuation of rates in the market in respect of materials.

12 For lumpsum provisions made in the estimate and for the items of work provided therein, the rates will be paid as per current minimum schedule in force at the time of execution of work in the case of scheduled items and data rates for items which do not find place in the Schedule.

13 The rates once accepted as per approved tender should hold good till the completion of the work irrespective of fluctuation in the materials, rates and period.

14 No conditional clauses will be accepted.

15 All corrections and overwritings while submitting tender should be attested by the tenderer.

16 The contractor has to pay compensation to the workmen injured or disabled during the execution of work; otherwise the amount will be deducted out of the bill and paid to the workmen or the legal heirs of the deceased.

17 The work should not be sublet to others.

18 Any defective work found executed and any work not approved by the department if found executed, the contract will be terminated immediately and cost of rectification of the same will be recovered from the contractor.

19 Masonry, R.C.C. work and other items of work should be as per specification of Public Works Department Hand book (Mysore and Bombay).

20 The Department will not be responsible for the delay caused to the execution of the work on account of non-supply of materials in time due to circumstances beyond their control.

21 The submission of tender by a contractor implies that he has read this notice and of the contract and has made himself aware of the scope and specification of work to be done and of the schedule of rates, etc.

22 The contractor will have to make his own arrangements for water required for the work, scaffolding materials, conveying of materials and approach roads to quarries, etc. No extra amount will be paid for any of the above items.

23 Reserved and earnest money deposits will be repaid only at the time of the final bill and due fulfilment of the contract.

24 The tenders received after due date and time will be rejected.

25 The materials such as cement and steel will be issued to the contractor at Departmental Stores, at the rate noted below, if they are available in stores; otherwise, the contractor has to make his own arrangements to procure them in the local market.

Cement.—Rs. 7-60 nP. excluding sales-tax per bag. Steel—(M. S. rounds) at Rs. 39-60 nP. per Cwt. or 50 Kg.

26 Plan and estimate and other particulars relating to the work will be available in the Office of the Executive Engineer, Ramanagaram Division, Ramanagaram during the working hours for verification.

27 The earnest money of the unsuccessful tenderers will be refunded on application only after the receipt of the approval to the successful tender is received or after three months from the date of receipt of tender whichever is earlier. The earnest money deposit shall not bear any interest.

28 The quantities in the estimate are only approximate and drawings shown to the contractor are only tentative and liable to alteration of the Executive Engineer, Ramanagaram Division, Ramanagaram or any higher authority. The tender rates will hold good for any quantity whether higher or lower than those given in the estimate.

29 The term specification mentioned or cited in the schedule or in estimate or in the tender forms means specific item of work to be executed according to the Mysore Public Works Department Handbook or Instructions of the Executive Engineer or higher officers with reference to designs, calculations, etc. No higher rates other than tendered rates will be paid.

30 The contractor shall make use of any plant and machinery which may be required in the speedy execution of the work. Such machinery will be hired to the contractor, if available, at the rates fixed by the department and the charges shall be recoverable from the contractor in advance as per rules.

31 Where definite lead and lift are not mentioned, it has to be considered as inclusive of all lead and lift to the workspot.

32 Five per cent reserve will be withheld in each bill as security deposit which will be refunded after the satisfactory completion of the work.

33 Name of the successful tenderer whose tender has been accepted, will be notified on the notice board in the Office of the Executive Engineer, Ramanagaram Division, Ramanagaram in due course. No enquiry regarding the acceptance or rejection of tender will receive any reply.

34 The tender will be opened on the same day, if possible, by the Executive Engineer in the presence of the contractors or their authorised agents as may be present at the time.

35 For item Nos. 5, 7 and 8, rates to be quoted on percentage basis.

Y. SHIVAPPA,

Executive Engineer.
